School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Brandon School is one of the nine elementary schools of the Goleta Union School District. Brandon School is part of the Goleta Union School District (GUSD) serves the Goleta Valley, a suburban community of 80,000 people that includes the City of Goleta and a large unincorporated area. The area is known for its cultural, academic, and recreational opportunities, as well as its mild climate. At Brandon, we offer enrichment in music, art, computers, physical education, and academics. We also provide regular and systematic interventions for both academics and social-emotional needs. We have robust after-school opportunities, highly-attended PTA events, and both day and evening school events that bring our community together to celebrate student learning. We strongly seek to create events that develop students in both academic and social-emotional learning. Ongoing learning for all of our students is a priority, and we are always striving to create a joyful, positive learning experience for each and every student.

The Goleta Union School District offers a stimulating and challenging instructional program and school environments with a capable and articulate professional staff. Many teachers, classified employees, and administrators have enjoyed long careers with GUSD. The staff is skilled at working to develop individual student potential by providing basic skills and problem solving strategies. Every GUSD school offers programs in technology, music, art, and physical education. Every GUSD school has a technology center and all classrooms and offices have Internet access.

The Board of Trustees has defined the strategic direction for the District and the schools through a comprehensive Strategic Plan and Local Accountability Plan, which are available on the District's website. The aspirations of the Goleta Union School District for each student are reflected in the following core components of the Strategic Plan:

Vision

Powerful Instruction
Purposeful Individualization
Productive Partnerships
Solid Evidence of Student Success

Mission

The Mission of the Goleta Union School District is to maximize academic, intellectual, and personal growth in order for each student to prosper in, and positively influence, a diverse and dynamic world.
Shared Values and Beliefs
Success for every student
Effort, perseverance, and responsibility

Learning beyond the basics
Safe, healthy, and secure environments
Teamwork, partnership, and respect
High-quality services
Best instructional practices
Equity of experience

School Description and Mission Statement (School Year 2019—20)

Welcome to Brandon Elementary School, a place where student learning is visible daily in the engagement of children, families, and staff members! You will find that our campus is a special place; a place that brings together children, families, and educators to create a community that values and depends upon each other to create the finest educational experience for all.

We are part of the Goleta Union School District whose mission is to maximize academic, intellectual, and personal growth in order for each student to prosper in, and positively influence, a diverse and dynamic world. In fact, at Goleta Schools, we envision maximizing student capacity through educating the whole child. Our school mission, then, is to create a safe learning environment that addresses the needs of the whole child.

Each day we strive to exemplify our mission where parents, teachers and students work as a team to meet the academic, social, emotional and physical needs of all children through consistent communication, timely information, and shared knowledge. We also share a commitment to social emotional education programs, helping us to fulfill our mission. With a focus on the parents, teachers, and students we work to create a positive culture.

Our district mission as well as our campus mission, provides the foundation for our educational environment- a rigorous academic program balanced with engaging activities and attitudes that foster a collaborative environment. A productive relationship among parents, teachers, and staff creates the type of education we seek for all children. We encourage parents to become actively involved, and consider them to be a vital part of our Brandon Team.

School Facility Conditions and Planned Improvements

Playground asphalt recently slurry and sealed within the last six months so the condition is very good. Condition of the school buildings varies throughout the campus as improvements are needed. Playground matting surface under big toy will need to be replaced and trike path on K yard needs to be upgraded. Moveable walls have been replaced with solid walls enhancing safety and noise buffering, but some materials in the walls of the MPR need to be replaced.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	59.0%	66.0%	62.0%	65.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	57.0%	60.0%	59.0%	60.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

Parents are an important partner in the education of our students. They are encouraged to be involved as members of the Parent-Teacher Association(PTA), school or classroom volunteers, or as representatives to school governance organizations such as School Site Council, the English Learner Advisory Committee/District English Learner Advisory Committee (ELAC/DELAC), District GATE Advisory Committee, or District Advisory Council(DAC). Meetings occur regularly over the course of the year.

Parents are encouraged to volunteer on campus, on field trips, with fundraising, and in other ways so they can contribute to the school community. Parent involvement in the education of their child(ren) is an essential partnership with the school.

On the first Wednesday of the month parents are invited to walk and bike to school with their children.

Parent-teacher conferences are held in the fall and spring of each school year to discuss individual student progress. Additional site activities help parents understand school programs and learn about support services for parents and children. District communication, school and classroom newsletters, forums for electronic communication, such as Google Classroom and ParentSquare, and general announcements provide parents/guardians with information about their school in both English and Spanish. Schools communicate regularly with parents/guardians.

School Safety Plan (School Year 2019—20)

The following information on emergency preparedness and supervision of students is current with respect to student safety. The section on student conduct outlines the responsibilities of students for their own behavior and learning.

Security: The school posts required public signs to communicate rules prohibiting smoking, skateboarding and alcoholic beverages. Signs are also posted to inform visitors that the school grounds close at dusk. Alarm systems, fencing and lighting are periodically tested to ensure a safe environment. Each school is represented on the district Safety Committee. Monthly, concerns or issues regarding campus security are shared. The District Maintenance and Operations staff and principals all carry walkie-talkies in order to be available at all times. All are quick to respond to any concern.

Emergency Preparedness: The school updates the emergency plan annually. Periodically, a staff in-service is held for members to review his or her role in an emergency situation according to the plan. The plan is on file in the school office. Emergency preparedness drills are conducted regularly to ensure students and staff safety in the event of fire, earthquake, or other disaster. The plan focuses on the three R's of disaster preparedness: readiness, response and recovery to teach all students and staff to be prepared should any emergency occur.

Supervision of Students: Classroom teachers are responsible for maintaining a safe learning environment. Students are carefully supervised within classrooms and on the playground. Yard duty supervisors are employed at recess and lunchtime to ensure a safe environment for students. School policies regarding behavior are reviewed with students and staff regularly. Policies are sent home to parents annually. We are committed to student safety and a positive school climate.

Badge Identification System for Employees, Volunteers, and Visitors: Signs are posted on campus to advise visitors to sign in at the office. To systematically identify persons who have a legitimate presence on our campus, all employees, volunteers or visitors are required to wear a pocket or lanyard identification badge. Visitors and volunteer badges are obtainable in the school office. The staff reminds any visitor without a badge to return to the office for one in order to heighten awareness of anyone who is on the campus.
