School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Welcome to El Camino Elementary School! The staff at El Camino is committed to providing our students with a school experience that is both positive and meaningful. We strive to offer a curriculum that supports the development of creativity, divergent thinking, problem solving, and decision-making skills in our students. Our focus is to provide a strong knowledge base, to enhance self-esteem, and prepare students to be positive and successful life-long learners.

As a school community, through professional collaboration, data driven instruction, and a firm understanding that ALL students can learn and achieve, we look forward to serving ALL of our students.

We recognize the vital role families play in the education of their children and encourage families to take an active part in school activities. Our doors are always open to you. We welcome and value your input.

School Description and Mission Statement (School Year 2019—20)

Welcome to El Camino Elementary School - Home of the Dolphins! We are a No Excuses University School and use the Six Exceptional Systems as a framework to shape the way we work together to educate each and every child that comes through our doors. We believe in a culture of universal achievement, collaboration, standards alignment, assessment, data management, and intervention.

We believe it is our moral imperative to provide students with the world-class education they deserve so that they will be given a strong foundation for any college or work place environment. El Camino staff elevate the bar for their students and work with them in the creation of individualized, measurable goals in academics and Global Good Citizen traits. Each one of our classrooms, from preschool through sixth grade, adopt a college or university to represent and focus on during our fall and spring college weeks. El Camino staff believe that their best work is done together, in partnership with families and the surrounding community.

Students participate in a variety of instructional activities in core subject areas as well as STEAM, Yoga/Mindfulness, physical education. Field trips, guest presentations, and extracurricular opportunities including classes in art, art history, choral music, instrumental music, and MakerSpace are available for all students.

The intentional and focused efforts of our staff, families and community members working together help turn El Camino's vision of success into reality.

Dream big and be bold!

School Facility Conditions and Planned Improvements

Overall site is in moderate condition. The facilities on this site are beginning to show its age as improvements will need to be made soon. Playground asphalt slurry and sealed within the last six months. This is a large campus and keeping it clean to GUSD standards can sometimes be a challenge day to day. Additional custodial staff may be needed to accomplish this. Buildings need to be painted, and window seals need to be upgraded. Squirrels continue to inhabit the campus causing some issues. Playground matting under the big toys need to be replaced.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	43.0%	46.0%	62.0%	65.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	42.0%	41.0%	59.0%	60.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

We believe the strong partnership between students, families, school staff, and our surrounding community makes a tremendous, positive difference in our students' lives at El Camino.

Parents and guardians are engaged at El Camino, belonging to the various school and district teams as well as working in classrooms as volunteers and supporting school field trips and events. El Camino has a strong, supportive Parent Teacher Association (PTA). The PTA is focused on supporting students and staff and has a common goal of helping every student on the path to being college bound. El Camino is represented by parents/guardians at the District Advisory Council (DAC) and a District English Learner Advisory Council (DELAC). The school English Learner Advisory Council (ELAC) meetings, School Site Council (SSC) meetings and parent-teacher conferences also provide opportunities for parents to collaborate with staff in creating the best educational experience possible for all El Camino scholars in grades preschool through sixth grade.

Families participate in special events that focus on expanding student and family knowledge of core areas of the curriculum such as Reading Under the Stars and Night of Scientific Discovery. We also celebrate successes together, as a familia, such as recognizing our students during our Global Good Citizen and Student of the Month assemblies which focus on the characters of being a Global Good Citizens defined by the United Nations.

School Safety Plan (School Year 2019—20)

The following information on emergency preparedness and supervision of students is current with respect to student safety. The section on student conduct outlines the responsibilities of students for their own behavior and learning.

Security: The school posts required public signs to communicate rules prohibiting smoking, skateboarding, and alcoholic beverages. Signs are also posted to inform visitors that the school grounds close at dusk. Alarm systems, fencing, and lighting are periodically tested to ensure a safe environment. Each school is represented on the district Safety Committee. Monthly, concerns or issues regarding campus security are shared. The District Maintenance and Operations staff and principals all carry walkie-talkies in order to be available at all times. All are quick to respond to any concerns.

Emergency Preparedness: The school updates the emergency plan annually. Periodically, a staff in-service is held for members to review his or her role in an emergency situation according to the plan. The plan is on file in the school office. Emergency preparedness drills are conducted regularly to ensure students and staff safety in the event of fire, earthquake, or other disaster. The plan focuses on the three R's of disaster preparedness: readiness, response, and recovery to teach all students and staff to be prepared should any emergency occur.

Supervision of Students: Classroom teachers are responsible for maintaining a safe learning environment. Students are carefully supervised within classrooms and on the playground. Playground Supervisors are employed at recess and lunchtime to ensure a safe environment for students. School policies regarding behavior are reviewed with students, staff, and parents/guardians regularly. Policies are sent home to families annually. We are committed to student safety and a positive school climate.

Badge Identification System for Employees, Volunteers, and Visitors: Signs are posted on campus to advise visitors to sign in at the office. To systematically identify persons who have a legitimate presence on our campus, all employees, volunteers, or visitors are required to wear a pocket or lanyard identification badge. Visitor and volunteer badges are obtainable in the school office. The staff reminds any visitor without a badge to return to the office for one in order to heighten awareness of anyone who is on the campus.
