- Here's How...

Professional Learning Communities

1. What is it we want our students to know and be able to do?

*Identify math essential standards

*Unpack essential standards

2. How will we know if each student has learned it?

*analyzing quick checks for understanding with team

3. How will we respond when some students don't learn it?

*Learning Teams, ELD groups, CFAs

4. How will we extend the learning for students who have demonstrated proficiency?
