School Description

About Our School

Greetings! Welcome to Foothill Elementary School/Goleta Family School, a place where learning is evident in the daily engagement of staff, children, and families! You will find that this campus is a unique place in that we have two schools within one campus. We work as a cohesive community within a community; a place that brings together children, families, and educators to create a whole that values and is committed to providing the finest educational experience for all. We, as a community, work together to make this possible each and every day.

We are part of the Goleta Union School District whose mission is to maximize, academic, intellectual, and personal growth in order for each student to prosper in, and positively influence, a diverse and dynamic world. In fact, at Foothill/GFS Elementary School, we believe in maximizing student capacity through educating the whole child. Our school mission is to create a safe learning environment that addresses the needs of the whole child which is in sync with our district's mission.

Each day, we strive to exemplify our mission where parents, teachers, and students work as a team to meet the academic, social, emotional and physical needs of all children through consistent communication, timely information, and shared knowledge. Our commitment to SOAR, our Positive Behavior Support System that integrates our character education expectations, helps us to fulfill our mission. With a focus on the positive character attributes of being SAFE, OPEN, ACCEPTING, RESPONSIBLE and RESPECTFUL, our teachers, students, and parents work to create a positive culture to support both academic, social, and emotional needs.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Textbook sufficiency was approved at the September 23, 2020, Board meeting ensuring all students had access to appropriate textbooks and instructional materials. Goleta Union will be moving to pilot a social studies curriculum adopted by the State Board of Education within the coming years. Additionally, the Second Step social-emotional curriculum is used grades TK through sixth and SPARK Physical Education Curriculum is used in grades 1-6. Online supplemental materials include Freckle and MyOn across all school sites.

School Facility Conditions and Planned Improvements (Most Recent Year)

Overall site is in very good condition. The facilities on this site are beginning to show age as improvements will need to be made soon. Asphalt needs maintenance and will ultimately need to be replaced. All heating systems have met their useful service lives and will need to be upgraded. Roof systems will also need to be replaced soon and the fire alarm system is in the process of being updated. Overall, the site is safe for students, staff, and the community and classrooms are very safe environments. Overall site is in very good condition. B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents are engaged at Foothill/Goleta Family School, belonging to various school and district teams as well as working in classrooms as volunteers and helping with school field trips and events. Foothill/Goleta Family School has a strong, supportive Parent Teacher Association (PTA). The PTA is focused on supporting students and staff in academics and personal growth, and has a common goal of helping every student on the path towards being successful learners. Foothill/Goleta Family School is represented at the District Advisory Council (DAC), Gifted Education Committee, and a District English Learner Advisory Council. On site, the School Site Council and English Learner Advisory Council also works to engage Foothill/Goleta Family School to provide opportunities for parents to collaborate with staff in creating the best educational experience possible for our scholars. Families participate in special events such as Science Night, Career Day, Fall Carnival, Reflections and Talent Show to name a few. We also celebrate successes together, recognizing students with classroom celebrations and school events. Many of our events are built around coming together as a school community in support of our school. We believe the strong partnership between students, families and school makes a tremendous, positive difference in student's lives at Foothill/Goleta Family School.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The following information on emergency preparedness and supervision of students is current with respect to student safety. The section on student conduct outlines the responsibilities of students for their own behavior and learning.

Security: The school posts required public signs to communicate rules prohibiting smoking, skateboarding, and alcoholic beverages. Signs are also posted to inform visitors that the school grounds close at dusk. Alarm systems, fencing, and lighting are periodically tested to ensure a safe environment. Each school is represented on the district Safety Committee. Monthly, concerns or issues regarding campus security are shared. The District Maintenance and Operations staff and principals all carry walkie-talkies in order to be available at all times. All are quick to respond to any concerns.

Emergency Preparedness: The school updates the emergency plan annually. A staff in-service is held annually for members to review his or her role in an emergency situation according to the plan and is reviewed throughout the year, especially prior to and after monthly emergency drills. The plan is on file in the school office. Emergency preparedness drills are conducted regularly to ensure students and staff safety in the event of fire, earthquake, or other disaster. The plan focuses on the three R's of disaster preparedness: readiness, response, and recovery to teach all students and staff to be prepared should any emergency occur.

Supervision of Students: Classroom teachers are responsible for maintaining a safe learning environment. Students are carefully supervised within classrooms and on the playground. Yard duty supervisors are employed at recess and lunchtime to ensure a safe environment for students. School policies regarding behavior are reviewed with students and staff regularly. Policies are sent home to parents annually. We are committed to student safety and a positive school climate.

Badge Identification System for Employees, Volunteers, and Visitors: Signs are posted on campus to advise visitors to sign in at the office. To systematically identify persons who have a legitimate presence on our campus, all employees, volunteers, or visitors are required to wear a pocket or lanyard identification badge. Visitor and volunteer badges are obtainable in the school office. The staff reminds any visitor without a badge to return to the office for one in order to heighten awareness of anyone who is on the campus.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	0.0	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	5

Goleta Union School District annually provides four full days and two half-days of in-service to certificated staff. Professional development is also conducted during staff meetings, and district-wide after-school meetings or release time throughout the year. Teachers are afforded common collaboration time to work in Professional Learning Communities as well as opportunities to attend professional conferences and workshops. Classified staff members meet for training specific to their positions several times during the year. Our Curriculum Council and related subcommittees provide formal structures as on-going steering committees.

The focus of professional development is selected to support the district's LCAP goals and the implementation of core curriculum. For the 2019-2020 school year, district professional development was concentrated on implementing core instruction in science, including understanding the resources available through the new science adoption. The district also built capacity in staff around professional learning communities. Included in this work was increasing the use and analysis of benchmark summative and common formative assessments. Additionally, the professional learning teams worked collaboratively to improve site-based systems for monitoring and responding to student progress. During the 2020-2021 school year, these same goals have continued to be a focus. Staff has also attended to best practices and student engagement during remote instruction. During the 2020-2021 school year, staff also participated in workshops to address anti-racism and begin conversations to support social justice in our school communities. Principals support their teacher teams with implementation of best practices through feedback after observations, conversation and consultation during grade level team meetings, and during staff meetings focused on staff development. Teachers on special assignment and district committee representatives also provide support through consultation and resources.

Types of Services Funded

In addition to personnel costs for teachers, support staff, classified staff, and administrators, the District budget funds the purchase of instructional supplies, office supplies, transportation, and equipment. Categorical funds provide consulting employees, instructional assistants, instructional supplies, and translations of school newsletters and meetings.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
